How to make a claim

If you need to make a claim there may be things that we'll need you to do, or documents that you will need to give us.

For all claims:

- Let **us** know as soon as possible when something happens that could lead to a claim.
- Have a look at '[Emergency help and claims numbers](#)' for how to get in touch.
- Have **your** policy schedule to hand. This will tell **you your** policy number and which sections **you're** covered for.
- Keep hold of any invoices, receipts, medical reports or other documents. **You** will need to give these to **us** if **you** need to make a claim.

If your claim is for:	
Medical emergencies, costs and help to bring you home	<ul style="list-style-type: none">• If you're taken to a hospital or clinic whilst you're away, call the Emergency Helpline as soon as possible.• Make sure that you've the approval of the assistance company (the Emergency Helpline) before incurring any costs over £500. Someone else can do this for you if you are too ill. We won't pay for any avoidable extra costs incurred because you didn't tell us.• Some countries have reciprocal health agreements with the United Kingdom. If this is in place, you should make sure you use the agreement to reduce the cost of your medical claim. If you do this, you won't have to pay the excess on your medical claim. You can find out more about this in the 'Reciprocal health agreements' section.• Help us to get the information we need. This could include sending us medical reports or getting an examination done.
Cancelling your trip before you leave home, or cut your trip short	<ul style="list-style-type: none">• Contact your travel or accommodation provider as soon as you know that your trip needs to be cancelled or cut short.• Make sure that you've tried to get a refund from your travel provider (or service provider for things like excursions, pre-paid car parking) before making a claim with us.• You'll need to keep any cancellation invoices and documents that show the costs of what you are trying to claim for.• If you're cancelling or cutting your trip short because of medical reasons, you'll need evidence from the medical practitioner treating you.• If you're cancelling or cutting short your trip for another reason, we'll need evidence of this.
Travel delay and abandoned journeys	<ul style="list-style-type: none">• If your flight is delayed, you may be entitled to compensation under EU Regulation No. 261/2004 Air passengers rights. Make sure that you speak to your airline for details.• Keep hold of any confirmation of the delay (including the duration) so that you can pass this on to us.

If your claim is for:	
Lost or damaged belongings and gadget claims	<ul style="list-style-type: none"> • If your personal belongings are lost or damaged in transit, you'll need to report it to the travel operator and get a 'Property Irregularity Report' before leaving the baggage reclaim area. • Report any theft of your belongings to the police within 24 hours of discovery or as soon as possible after that and get a police report. • We'll need proof of ownership and value for your items. This could be bank statements, photos or receipts which help to show that you owned the lost or damaged items and how much you paid for them.
Delayed baggage	<ul style="list-style-type: none"> • Report any delayed baggage to the travel operator and get a 'Property Irregularity Report' before leaving the baggage reclaim area. • Keep invoices or receipts for any essential items that you had to buy whilst your baggage was delayed.

Your policy limits and excesses

Policy limits are shown in the '[Summary of your cover](#)' tables and again in the cover sections. These limits will show **you** how much **your** policy will pay up to for each type of claim.

The tables will also show what **excess** applies to each type of claim.

- If **we**'re making a payment to **you** (such as paying **you** back for something **you** had to replace), **we**'ll take the **excess** amount off the total **we** pay **you**.
- If **we**'re paying a supplier (such as an airline or hospital), **you**'ll need to pay the **excess** amount back to **us**.
- Unless the **excess** is shown as 'None' in the summary of cover, the **excess** amount will apply against each claim. This is for each person claiming on each trip.

About your insurance contract

Your policy schedule and policy wording form the basis of **your** contract with **us** and is based on the information **you** gave **us**.

Incorrect information could mean that **your** premium is incorrect or that **we** won't be able to pay all or part of **your** claim. Let **us** know as soon as possible if something isn't right.

All documents, emails and letters will be in English.

To be eligible for cover under this policy:

- **you** must be in the **United Kingdom** when the policy is bought.
- **your** main **home** must be in the **United Kingdom** when **you** buy this policy, and **you** live in the **United Kingdom** for at least 6 months of the year.
- **you** must be aged 65 or under on the start date of **your** policy.
- **you** must be registered with a General Practitioner (GP) in the **United Kingdom**.
- **your** trips must start and end in the **United Kingdom**.
- **you** must have declared any **pre-existing medical conditions** to **us**. Please see the section '[Pre-existing medical conditions and changes to your health](#)' for full details.

When booking **your** trip or purchasing this policy, whichever is later, **you** and anyone **you're** travelling with must be fit to travel. This includes being fit to take part in any activities and excursions **you've** planned.

Our part of the contract

- **We** promise to act in good faith.
- **We** will give **you** the insurance cover set out in **your** policy wording and policy schedule.

Your part of the contract

- Tell **us** the correct information to base **your** policy on, including any **pre-existing medical conditions**.
- Pay **your** policy premium.
- Don't do anything that would make a claim more likely or increase the cost of a claim.
- Make sure that **you've** read **your** policy and understand what **you're** covered for.
- Tell **us** as soon as possible if there are any changes to the information **you** have given **us**. If **you** don't this could affect **your** policy or prevent **us** from paying all or part of **your** claim.

Countries we do and don't cover

Countries we don't cover

There are some countries or areas that are considered too dangerous for travel. **We** can't cover **you** if **you** choose to travel to areas where:

- there is **war and civil unrest**; or
- the Foreign, Commonwealth & Development Office (FCDO) has advised against all travel or all but essential travel.

Visit <https://www.gov.uk/foreign-travel-advice> to check any countries or areas that **you're** planning to travel to.

Countries we cover

Your policy schedule will show **you** where **you're** covered to travel to. This will be the country **you** selected or one of the following groups:

- Europe.
- Worldwide but not including United States of America (USA), Canada, Mexico and the Caribbean.
- Worldwide including United States of America (USA), Canada, Mexico and the Caribbean.

You will find all the countries that **we** cover listed in the table at the back of this booklet. Make sure **you've** checked **your** travel plans against this table '[Countries that we do cover](#)'.

How long your trips can last

The maximum trip length is 547 days.

When your cover starts and ends

Cancellation cover:

Cancellation cover for **your insured journey**:

- starts on the issue date shown on **your** policy schedule; and
- ends when **you** leave **your home** to start **your insured journey**.

All other cover:

- starts when **you** leave **your home** to start **your insured journey**; and
- ends when **you** return to **your home** within the **policy period** to end **your insured journey**.

All cover will stop at the end of the **policy period**, unless agreed by **us** in writing.

Trip resumption following a trip interruption or voluntary break:

In the event of a **trip interruption** or a **voluntary break**, all cover ends when **you** return to the **United Kingdom**. Cover starts again when **you** leave the **United Kingdom** to resume **your insured journey** and ends when **you** return to **your home** to end **your insured journey**, provided both events are within the **policy period**.

The policy covers **you** to return to the **United Kingdom** only once during the **policy period** due to either a **trip interruption** or a **voluntary break**. For example, if **you** return to the **United Kingdom** following a **trip interruption** the policy will not cover **you** if **you** return to the **United Kingdom** at a later date due to another **trip interruption** or a **voluntary break**.

Insured journeys which fall outside of **your policy period** won't be covered unless the 'Automatic Extension of Cover' is needed.

Automatic Extension of Cover

If **you** need to extend **your insured journey** past the **policy period** because of an insured medical emergency, or other cause that's insured under this policy, **we** will automatically extend **your** cover until:

- **you're** able to come **home**; or
- **you** can be moved to a medical facility in the **United Kingdom**; whichever date falls first.

Medical emergencies abroad and other insured causes

If **you** have a medical emergency abroad, **our** assistance company and **your** treating doctor will decide when **you're** fit to return to the **United Kingdom**. If **you** decide to return **home** after this time, all cover will end.

If **you** don't take the first reasonable travel arrangements to return to the **United Kingdom**, all cover will end.

Pre-existing medical conditions and changes to your health

It's important that **you** tell **us** about any **pre-existing medical conditions** and any changes to **your** health. This applies to **you**, and anyone insured under the policy (**insured person**). It can impact **your** cover if **you** don't.

Telling us about your medical conditions

Details of any conditions **you**'ve declared, and **we**'ve accepted will be shown on **your** policy schedule. Failure to declare medical conditions will affect any cover **we** provide and could prevent all or part of **your** claim being paid.

What we mean by pre-existing medical conditions

You should've declared any conditions when asked the questions below and **we** would've let **you** know if **we** can provide cover.

1. In the last 2 years, have **you** been prescribed medication, received treatment or had a consultation (as an in-patient or an out-patient) with a doctor or hospital specialist for any medical condition?
2. In the last 5 years, have **you** been diagnosed with or treated for any of the following?
 - heart or respiratory conditions; or
 - circulatory conditions (e.g. strokes, high blood pressure, cholesterol); or
 - liver conditions; or
 - cancerous conditions; or
 - any mental health condition such as stress, anxiety, depression or eating disorders; or
 - drug or alcohol abuse.

If **you** or any other **insured person** have a medical condition included under point 3 below, the policy won't be right for **you** as **we** can't provide cover for:

3. Any medical condition suffered by an **insured person** in which:
 - they failed to seek medical advice that's necessary for the treatment of the condition; or
 - is under investigation; or
 - is awaiting investigation, medical procedures, in-patient hospital treatment or test results; or
 - they have been given a terminal prognosis for; or
 - they know they'll need medical treatment during an **insured journey**; or
 - they are travelling abroad for medical treatment.

Changes to your health

If any of the following things happen after **you** buy **your** policy, **you**'ll need to call **our** customer helpline:

- **you**'re diagnosed with a new medical condition.
- **you** experience new or recurring symptoms.
- **you** have an undiagnosed condition.
- **your** doctor or consultant adds or changes **your** prescribed medication.
- **you** receive inpatient medical treatment.
- **you**'re waiting for a medical investigation, treatment or procedure.

You'll need to call **our** customer helpline if this applies to **you**, or any **insured person** on the policy.

Tel: [0330 041 2880](tel:03300412880)

Our team will ask **you** for details about the change to **your** health. The change might mean:

- **we** can continue **your** cover with no change to **your** premium.
- **you** may need to pay more for **your** cover.
- **we** might not be able to continue **your** cover.

What happens next?

If **you**'ve had to cancel **your** pre-booked trip because of health changes, please see the cover available under the '[Cancellation](#)' section.

If **we** can't cover **your pre-existing medical conditions**, or **you** don't want to pay the extra premium, **you**'ll have the choice of:

- making a cancellation claim for any pre-booked trips; or
- continuing **your** policy but without cover for **your pre-existing medical conditions**; or
- cancelling **your** policy and receiving a proportionate refund. This is provided that **you** haven't made a claim or are about to.

Remember to:

- give **us** a call even if **your** doctor has said **you**'re well enough to travel as **your** cover could still be impacted.
- contact **your** travel providers to see if they can help **you** cancel or rearrange **your** trip.

Reciprocal health agreements

What are reciprocal health agreements?

The United Kingdom has healthcare agreements with several countries around the world. If **you're** a United Kingdom resident, these agreements mean that **you** may be entitled to necessary medical treatment at a reduced cost, or even for free.

We recommend that **you** check if the country **you're** travelling to has one of these agreements in place and what the requirements are before **you** leave the **United Kingdom**. **You** can find more information online at www.nhs.uk/using-the-nhs/healthcare-abroad/ or search for NHS Healthcare abroad.

If **you** make a claim in one of these countries where **you** successfully applied for the reciprocal health agreement, then **you** won't have to pay the **excess** under '[Emergency medical and repatriation expenses](#)'. For example, **you've** used **your** GHIC card for emergency treatment at a hospital in Spain.

 Remember that if **you're** admitted to hospital whilst abroad, **you** must contact the Emergency Helpline as soon as possible.

Conditions applying to this section

1.
 - a. They will try to settle an **insured person's** claim by negotiation without having to go to court.
 - b. If the appointed **preferred law firm** cannot negotiate settlement of the **insured person's** claim and it is necessary to go to court and legal proceedings are issued or there is a conflict of interest, then the **insured person** may choose a law firm to act as the **appointed representative**.
 - c. If the **insured person** chooses a law firm as their **appointed representative** which is not a

preferred law firm, ARAG will give the **insured person's** choice of law firm the opportunity to act on the same terms as a **preferred law firm**. However if they refuse to act on this basis, the most **ARAG** will pay is the amount **ARAG** would have paid if they had agreed to the **ARAG Standard Terms of Appointment**. The amount **ARAG** will pay a law firm (where acting as the **appointed representative**) is currently £100 per hour. This amount may vary from time to time.

- d. The **appointed representative** must co-operate with **ARAG** at all times and must keep **ARAG** up to date with the progress of the claim.
2.
 - a. An **insured person** must co-operate fully with **ARAG** and the **appointed representative**.
 - b. An **insured person** must give the **appointed representative** any instructions that **ARAG** ask an **insured person** to give.
3.
 - a. An **insured person** must tell **ARAG** if anyone offers to settle a claim. An **insured person** must not negotiate or agree to a settlement without **ARAG's** written consent.
 - b. If an **insured person** does not accept a reasonable offer to settle a claim, **ARAG** may refuse to pay further **costs and expenses**.
 - c. **ARAG** may decide to pay an **insured person** the reasonable value of the **insured person's** claim, instead of starting or continuing legal action. In these circumstances an **insured person** must allow **ARAG** to take over and pursue or settle any claim in an **insured person's** name. An **insured person** must also allow **ARAG** to pursue at their own expense and for their own benefit, any claim for compensation against any other person and an **insured person** must give **ARAG** all the information and help **ARAG** need to do so.
4.
 - a. An **insured person** must instruct the **appointed representative** to have **costs and expenses** taxed, assessed or audited if **ARAG** ask for this.
 - b. An **insured person** must take every step to recover **costs and expenses** and court attendance expenses that **ARAG** have to pay and must pay **ARAG** any amounts that are recovered.
5. If the **appointed representative** refuses to continue acting for an **insured person** with good reason, or if an **insured person** dismisses the **appointed representative** without good reason, the cover **ARAG** provide will end immediately, unless **ARAG** agree to appoint another **appointed representative**.
6. If an **insured person** settles or withdraws a claim without **ARAG's** agreement, or does not give suitable instructions to the **appointed representative**, **ARAG** can withdraw cover and will be entitled to reclaim from an **insured person** any **costs and expenses ARAG** has paid.
7. If there is a disagreement about the handling of a claim and it is not resolved through **ARAG's** internal complaints procedure the Financial Ombudsman Service may be able to help. This is a free complaint resolution service for eligible complaints. (Details available from www.financial-ombudsman.org.uk). Alternatively, there is a separate arbitration process available that can be used to settle any dispute with **ARAG**. The arbitrator will be a jointly agreed barrister, solicitor or other suitably qualified person. If there is a disagreement over the choice of arbitrator, **ARAG** will ask the Chartered Institute of Arbitrators to decide. The arbitrator will decide who will pay the costs of the arbitration. For example, costs may be split between the parties or one party may pay all the costs.
8. If there is a disagreement between an **insured person** and **us** on the merits of the claim or proceedings, or on a legal principle, **ARAG** may suggest the **insured person** obtains at their own expense an opinion on the matter from an independent and appropriate expert. The expert must be approved in advance by **ARAG** and the cost expressly agreed in writing between the **insured person** and **ARAG**. Subject to this **ARAG** will pay the cost of getting the opinion if the expert's opinion indicates that it is more likely than not that the **insured person** will recover damages (or obtain any other legal remedy that **ARAG** have agreed to) or make a successful defence. This does not affect the **insured person's** rights under Section Condition 7.

9. An **insured person** must:
 - a. keep to the terms and conditions of this section
 - b. take reasonable steps to avoid and prevent claims
 - c. take reasonable steps to avoid incurring unnecessary costs
 - d. send everything **ARAG** asks for, in writing, and
 - e. report to **ARAG** full and factual details of any claim as soon as possible and give **ARAG** any information **ARAG** need.
10. **ARAG** will, at **ARAG's** discretion, void this section (make it invalid) from the date of claim, or alleged claim, and/or **ARAG** will not pay the claim if:
 - a. a claim an **insured person** has made to obtain benefit under this policy is fraudulent or intentionally exaggerated, or
 - b. a false declaration or statement is made in support of a claim.
11. Apart from **ARAG**, an **insured person** is the only person who may enforce all or any part of this policy and the rights and interests arising from or connected with it. This means that the Contracts (Rights of Third Parties) Act 1999 does not apply to this section in relation to any third-party rights or interest.
12. If any claim covered under this section is also covered by another policy, or would have been covered if this section did not exist, **ARAG** will only pay their share of the claim even if the other insurer refuses the claim.
13. This section is governed by the law that applies in the part of the United Kingdom, Channel Islands or Isle of Man where the **insured person** normally lives. Otherwise, the law of England and Wales applies. All Acts of Parliament mentioned in this section include equivalent laws in Scotland, Northern Ireland, the Isle of Man and the Channel Islands as appropriate.
