Protecting *your gadget(s)*

Here are some measures *you* can take to help protect or track *your gadget(s)* whether or not they are covered by an insurance policy:

We've all been there, dropping *your* device is a sure-fire way to damage *your* device. However, *you* can protect against this by simply buying a case, which will go some way to keeping *your* device safe.

Don't forget to also keep a record of *your* mobile phone's IMEI number, this is unique to *your* handset, and should the worst happen, it will allow *you* to be reunited with *your* device. *You* can find this by typing **#06#* into your handset's keypad.

You can also register *your* device for FREE on <https://www.immobilise.com/index.php>

For added security it is recommended *you* add a pin code or password to all *your* devices. This will ensure that *your* personal information remains private should it fall into the wrong hands.

There are also a variety of tracker applications which could enable *your* device to be found. Please always contact the police and let them retrieve the device, never take the law in to *your* own hands!

Always avoid using *your* device in public places in situations where *you* might be distracted, such as exiting public transport. These situations make easy targets for thieves.

If a claim has been made during the period of insurance no refund of premium will be due.

Cancellation by **us**

We may cancel this insurance by giving **you** at least 30 days written notice at **your** last known address. Reasons **we** may cancel the policy are, but not limited to:

- ✎ If **we** and/or the **Claims Administrator** have reason to suspect **you** of fraud;
- ✎ Where the **Claims Administrator** have been unable to collect an annual premium payment from **you**. In this case, the **Claims Administrator** will contact **you** by email after the missed collection requesting payment of the premium. If the **Claims Administrator** does not receive payment within 7 days, the **Claims Administrator** will cancel **your** policy with immediate effect and send **you** an email confirmation of the cancellation.
- ✎ Where the **Claims Administrator** have been unable to collect a monthly premium payment from **you**, the **Claims Administrator** will contact **you** by email after the first missed collection requesting payment of the premium. If the **Claims Administrator** does not receive payment by the next collection date and the next premium payment is also missed, the **Claims Administrator** will contact **you** and then cancel **your** policy within 7 days of this notice if **your** account is not brought up to date. The **Claims Administrator** will send **you** email confirmation of the cancellation.
- ✎ Where there is significant adverse claims experience

If any of the above reasons should occur, **we** and/or the **Claims Administrator** may write to **you** with our concerns and ask **you** to redress them. Where this redress does not happen, the **Claims Administrator** will then issue cancellation. If **we** cancel cover under **your** policy, then no further premium will be payable by **you**. **You** will continue to receive any benefits for a valid claim if **your** claim incident date was prior to the date **your** policy expired.

POLICY AMENDMENT AND RENEWAL

Mid-Term Adjustments

Should **you** decide to replace **your gadget** with a new **gadget** whilst **your** insurance is in force, **we** will consider transferring the benefit of the insurance subject to the item remaining within the same premium banding as **your** original **gadget**. There is no administration fee applicable for replacing a **gadget** within the same premium banding. **You** must advise the **Claims Administrator** of the make, model and serial number/IMEI before **you** make any subsequent claim and in the event of such a claim **you** will need a **proof of purchase** showing details of the new **gadget**. The **gadget** must be in good condition and full working order at the time of adding the new **gadget** to the policy.

Please note: When replacing an existing insured **gadget** with a new **gadget** the terms and conditions of the insurance policy for the new **gadget** will apply exactly the same as if **you** were purchasing a brand-new policy.

Where **you** have multiple items **registered** on **your** policy and **you** wish to remove one of **your gadgets** from cover, the **Claims Administrator** will calculate the revised premium and in respect of an annual contract where there is a reduction in **your** premium, **we** will provide **you** with a pro-rata refund, provided you have not made a claim. In respect of a monthly policy **your** cover will continue for the

period **you** have already paid, the **Claims Administrator** will recalculate the premium and confirm the revised premium in writing to **you** in good time before **your** next premium collection date.

Should **you** wish to consider covering additional **gadget(s)**, please contact Switched on Insurance at gadget.sales@switchedoninsurance.com or by calling 0207 183 6081 quoting **your** existing policy number.

In the event that any of **your** personal details change, such as address, email or contact numbers, please ensure **you** contact Switched on Insurance as soon as possible in order for **your** details to be updated and to prevent any delays when making a claim at gadget.sales@switchedoninsurance.com or by calling 0207 183 6081 quoting **your** existing policy number.

Automatic Renewal of **your** Policy

If **you** have a monthly policy:

To make sure **you** have continuous cover under **your** policy **we** will automatically renew **your** policy each month, unless **you** advise the **Claims Administrator** otherwise and **your** monthly premium will be collected by the method chosen by **you** at the time of the initial purchase.

For **your** convenience the **Claims Administrator** will write to **you** annually to remind **you** of the cover that is in place and to ensure that it still meets **your** needs.

If the **Claims Administrator** need to make any changes to **your** policy cover or to the price of **your** insurance, the **Claims Administrator** will provide **you** with at least 30 days written notice of the change which will be sent to **your** email address provided by **you** at the time of purchase of the policy, or to **your** last known address where there is an unsuccessful email submission.

Should **you** be unhappy with any proposed change being made to **your** policy, **you** will have the right to cancel **your** cover in accordance with this policy wording.

If **you** have an annual policy:

You will be contacted at least 21 days before the annual renewal date of **your** policy, and the **Claims Administrator** will tell **you** then if there are any changes to **your** premium or the policy terms and conditions (which will only ever apply at **your** next renewal date). The **Claims Administrator** will then renew **your** insurance unless **you** advise **us** otherwise.

Unless **you** advise the **Claims Administrator** otherwise, **your** renewal premium will be taken by the same method used during **your** initial purchase. If **your** payment details have changed, **you** can contact Switched on Insurance at

gadget.sales@switchedoninsurance.com

or visit

www.switchedoninsurance.com

and log into "My Account" to amend **your** details. **You** can advise Switched on Insurance about any changes to **your** policy details at any time by calling 0207 1893 6081 (national rate call).

If **you** do not want to auto renew **your** policy, **you** just need to contact Switched on Insurance via the contact details provided in the renewal notice.

Unless **you** advise the **Claims Administrator** to the contrary **we** will automatically renew **your** policy.

If the **Claims Administrator** are unable to collect **your** renewal premium **your** policy will lapse and the **Claims Administrator** will advise **you** accordingly.
