Protecting your phones, tablets and gadgets

Here are some measures **you** can take to help protect or track **your gadget(s)** whether or not they are covered by an insurance policy:

We've all been there, dropping **your** device is a sure fire way to damage **your** device. However, you can protect against this by simply buying a case, which will go some way to keeping **your** device safe.

Don't forget to also keep a record of **your** mobile phone's **IMEI number**, this is unique to **your** handset, and should the worst happen it will allow **you** to be reunited with **your** device. **You** can find this by typing ***#06#** in to your handsets key pad.

You can also register **your** device for FREE on <https://www.immobilise.com/index.php>

For added security **we** recommend adding a **pin code** or **password** to all **your** devices. This will ensure that **your** personal information remains private should it fall in to the wrong hands.

There are also a variety of **tracker applications** which could enable **your** device to be found. Please always contact the police and let them retrieve the device, never take the law in to **your** own hands!

Always avoid using **your** device in public places in situations where **you** might be distracted, such as exiting public transport. These situations make easy targets for thieves.

The British Transport Police have some fantastic videos with added advice, which can be found by clicking this link: <http://www.btp.police.uk/theft/phone-theft.html#sthash.v37N9ap3.dpbs>

Policy amendment and renewal

Mid-Term Adjustments

Should **you** decide to replace **your gadget** with a new **gadget** whilst **your** insurance is in force, **we** will consider transferring the benefit of the insurance subject to the item remaining with the same premium banding as **your** original **gadget**. **You** must advise the **Administrator** of the make and model before **you** make any subsequent claim and in the event of such a claim **you** will need an official **proof of purchase** showing details of the new **gadget**. The **gadget** must be in good condition and full working order at the time of adding the new **gadget** to the policy.

NOTE: When replacing an existing insured **gadget** with a new gadget the terms and conditions of the insurance policy for the new **gadget** will apply exactly the same as if **you** were purchasing a brand new policy.

Where **you** have multiple items **registered** on **your** policy and **you** wish to remove one of **your gadgets** from cover, **we** will calculate the revised premium and in respect of an annual contract **we** will provide **you** with a pro-rata refund, subject to deduction of a £10.00 administration fee and in respect of a monthly contract **we** will recalculate the premium, subject to a £5.00 administration fee and confirm the revised premium in writing to **you** in good time before **your** next premium collection.

Should **you** wish to consider covering additional **gadget(s)**, please contact Switched On Insurance at gadget.sales@switchedoninsurance.com quoting **your** existing policy number.

In the event that any of **your** personal details change, such as address, email or contact numbers, please ensure **you** contact Switched On Insurance as soon as possible in order for **your** details to be updated and to prevent any delays when making a claim.

Automatic Renewal of **your** Policy

If **you** have a monthly policy:

To make sure **you** have continuous cover under **your** policy **we** will automatically renew **your** policy each month, unless **you** advise **us** otherwise and **your** monthly premium will be collected by the method chosen by **you** at the time of the initial purchase.

For **your** convenience **we** will write to **you** annually to remind **you** of the cover that is in place and to ensure that it still meets **your** needs.

If **we** need to make any changes to **your** policy cover or to the price of **your** insurance, **we** will provide **you** with at least 30 days written notice of the change which will be sent to **your** email address provided by **you** at the time of purchase of the policy, or to **your** last known address where there is an unsuccessful email submission.

Should **you** be unhappy with any proposed change being made to **your** policy, **you** will have the right to cancel **your** cover in accordance with this policy wording.

If **you** have an annual policy:

You will be contacted at least 14 days before the annual renewal date of **your** policy and we will tell **you** then if there are any changes to **your** premium or the policy terms and conditions (which will only ever apply at **your** next renewal date). **We** will then renew **your** insurance unless **you** advise **us** otherwise.

Your renewal premium will be taken by the same method used during your initial purchase. If **your** payment details have changed, **you** can contact Switched On Insurance at

gadget.sales@switchedoninsurance.com

or visit

www.switchedoninsurance.com

and log into "My Account" to amend **your** details. **You** can advise Switched On Insurance about any changes to **your** policy details at any time by calling 0207 183 6081 (local rate call).

If **you** do not want to auto renew **your** policy, **you** just need to contact Switched On Insurance via the contact details provided in the renewal notice. If **you** do nothing then the policy will automatically renew.
